

Gen. 33:4 THE KISS OF DEATH..(ARAFAT AND PEREZ..2000)

**Gen. 33:4** *"Then Esau ran to meet him and embraced him, and fell on his neck and **kissed** him, and they wept."* In the original Hebrew there are six dots above the word "kiss". In the original scroll there are six dots above the word (nashag..H5401), translated "kissed". The six dots mean it was a "fake kiss", a kiss of death. Esau represents Edom, Rome, the Palestinians. Perez (6556) means "a breach", or "breaking forth". Perez is the name of the prime minister in Israel responsible for giving away land not long ago. He was trying to get peace by breaking up the land, which goes against torah. Torah (Lev.) says the land shall not be given away. Remember when Arafat and Shimon Peres kissed each other in front of the world back in the year 2000. That was a prophetic duplication of the kiss of death we see here in Genesis. What happens in the spiritual first takes place in the physical.
