

THE PEOPLE OF THE NATIONS WILL BE GRASPING THE GARMENT OF A JEW
TO LEARN THE TRUTH

Zech. 8:23 "Thus says Adonai of hosts, 'In those days ten men from all the nations will grasp the garment of a Jew saying, "Let us go with you, for we have heard that Yahveh is with you."'"

Zechariah predicted a time in the future when Gentiles would grab the hem of a Jew's robe. Why will they grab the hem? The "hem" or "corner" of an Orthodox Jew's robe is the same place where the fringes are located. When the Gentile takes firm hold of the "corner" of the robe, he will seek refuge in YHVH's wings. The Gentile will recognize that YHVH is still with the Jewish people, and the Gentile's desire will be to seek after Him and His Torah. The Gentile will be placing himself under YHVH's authority.
