

THE GOD OF THE AMERICA...AMERICAN SEAL..PART 2 OF 2

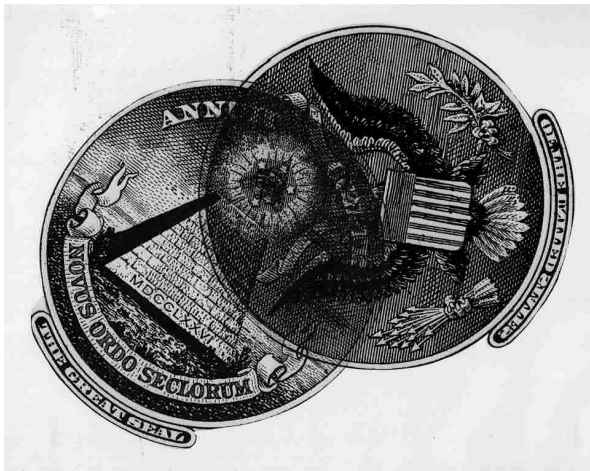

If you take transparents (images allowing light to pass through), of seal (A) and (B), and lay them overtop of each other, you will see mystery unveiled before your eyes as the wing tips of the eagle point to various hidden symbols of Freemasonry. It's hard to show exactly how the transparencies really look, but I will do my best to reveal them in the following images

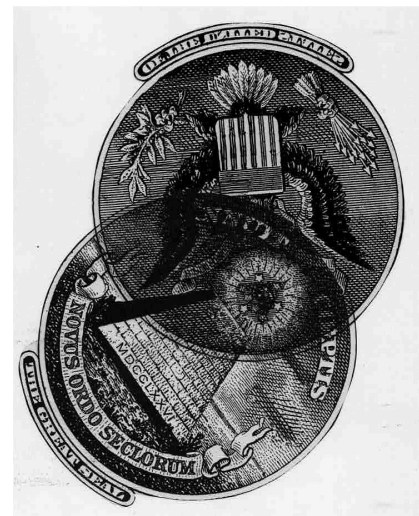

Overlay #1

Overlay #2

Overlay #3

Overlay #4

The following is revealed, one mystery at a time:

Transparent overlay #1

When you overlay the triangle of the American seal (A) over the eagle seal (B) the 10 stars of Solomon's seal are covered, leaving the **three pagan five pointed stars representing the satanic trinity, "IHS" (Isis, Horus, Seb), or (satan-False Prophet-anti-Christ-666)**. The three stars in Solomon's seal also represent the god of the Masons, "**Jah-bul-on**". The Masons pretend it represents their "emblematical lights" of Freemasonry: (Bible, the square and the compass), which are often referred to as the jewels of the lodge.

Transparent overlay #2

If you then rotate the overlay clockwise one point of the triangle at a time, to cover up all six sets of Solomons seal three at a time, **you will find the wing tips of the eagle that point mystically to the forks at the end of scrolls.**

Transparent overlay #3

If you then rotate the overlay clockwise another point of the triangle, (to cover up all six sets of Solomons seal three at a time), **you will find the wing tips of the eagle then point mystically to the olive shrub at the bottom right of the pyramid.**

Transparent overlay #4

If you then rotate the overlay clockwise another point of the triangle, (to cover up all six sets of Solomons seal three at a time), **you will find the wing tips of the eagle then point mystically to the olive shrub at the bottom left of the pyramid.**

Overlay #5

Transparent overlay #5

By laying the pyramid of seal "A" over the eagle of seal "B" with the tip of the pyramid in the eye of the eagle more symbols come alive, and **it looks like hands are picking the olives and removing the arrows in the eagles right and left claws.** We can also see clearly the "**winged eye**" that is symbolic of Horus the god of the Egyptians.

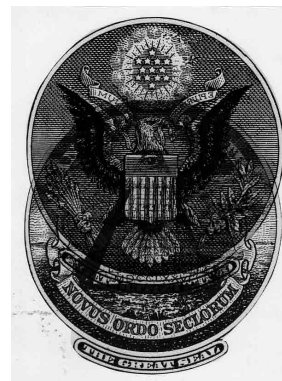

Transparent overlay #6

If you rotate seal "A" slowly you will then see the tips of the wings of seal "B" (the eagle) point to the various secret symbols (shrubs, Roman numerals, forks,) on seal "A". If you put the eye of the pyramid over the eye of the eagle it literally "comes alive".

Overlay #7

Overlay #6

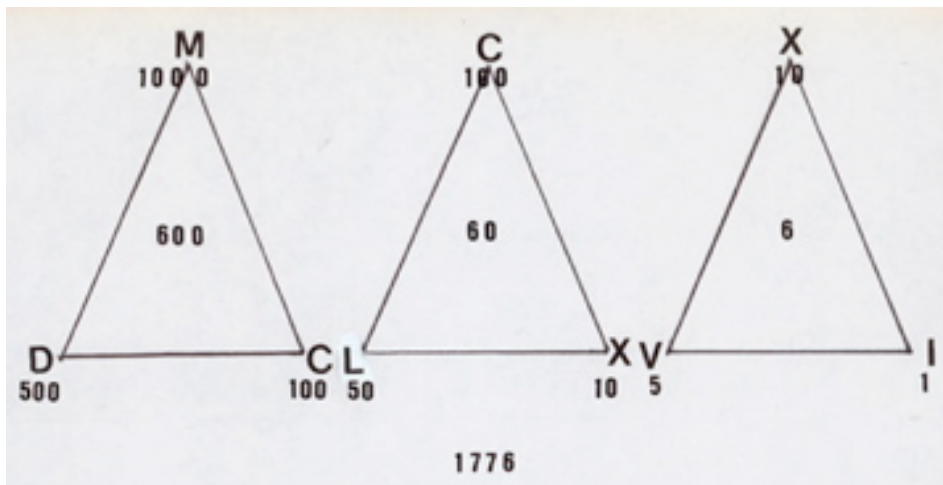

Overlay #8

Transparent #7

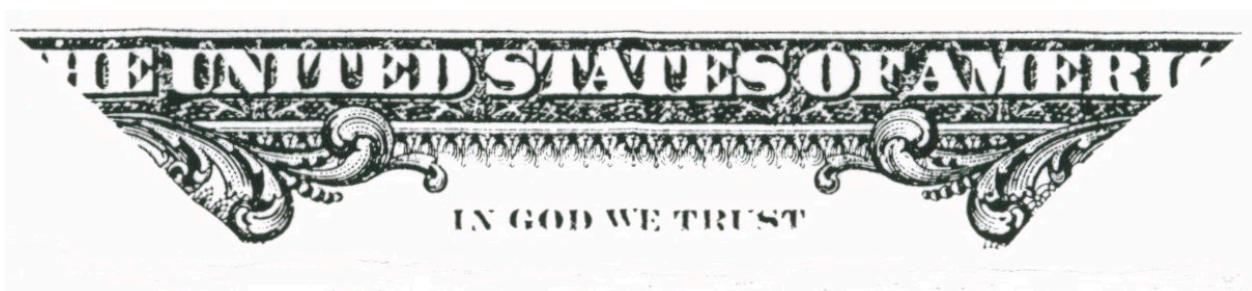

Another amazing thing happens when you continue to rotate the seals so that the tip of the right wing points to the dark shrub on the left side of seal "A", it forms a black "obelisk" on the middle left side, which is another occult sign of the secret societies.

Transparent #8

Also a rectangular block is formed when the twelve horizontal lines of the flag and the steps of the pyramid are lined up, with the eye in the middle. This twelve is representative of the "perfect government" of Masonry and the "double cubic stone" found at the sight of the second temple of old. This rectangular block meant, **"The missing capstone and the lost word are both supplied when the perfect government or the cubic stone of the great winged light of the sky takes his rightful place"**. In this position the tail feathers point to the roman numerals, giving them much significance, as follows: (1776) "MDCCLXXVI" If you separate these nine symbols into groups of three you get "MDC"/"CLX"/"XVI". If you take these three groups of three and divide them each in two you end up with; "M-DC"/, "C-LX"/, and "X-VI". If you then take the subgroups into two groups you get "MCX" and "DCLXVI". In Babylonian times, and modern days, the Roman numerals "DCLXVI" stood for "**666**".

In Babylonian times of old, to convert Roman numerals to Arabic numbers which is what we use in our modern world, you must divide the Roman numeral "MCX", (1110) by 100 and then multiple it by 60 to get modern numbers, which coincidentally is "666". Could this mean that the roman numerals on the Great Seal of the United States of America are symbolic for the anti-Messiah number of 666. On the very monetary system of the US. Is it a coincidence that this 666 is on the American **ONE** dollar bill (one world order, one world religion, one world government)? I suggest not. It's too difficult to try and explain all the strange things that happen when you put the two parts of the seal together and move them around, but it clearly represents hidden messages and symbols known only to a few of these devil worshippers. The fact is, it took six years to design these seals, and once you understand the significance of the hidden messages, you can understand why it took Satan that long to create it through these occult organizations.

SUN GOD COINS, AMERICAN FLAG, MASONIC DESIGN OF WASHINGTON DC, MASONIC TEMPLE IN DC, CAPITAL HILL, FASCISM, PENTAGON

The American one dollar bill say's on it "In God we trust". There are in fact many god's. God is a title, not a name, as any serious bible student knows. If it was meant to say "in YHVH (Yahveh) we trust", then why doesn't it say just that. God is a name given to any teutonic deity. To the average person this seems to have an obvious meaning, but it actually means in the "Baal god we trust". People have been duped into believing that

it stands for the Biblical God of Abraham, Isaac and Jacob. It is mockery to have the God of the Bible associated with all the pagan symbols on this occult American seal.

An interesting and provocative thing worth mentioning about America as a supposed christian nation is as follows. In 1826 when the American Erie canal was completed the government struck a special medallion in honor of the completion of this great task. The medallion has a an image of Poseidon the god of the sea holding the devils three prong fork, and Pan the god of the land on it. Proof that America has always followed pagan gods even though many are in total denial of this fact. Truly, one must wonder which god Americans trust as portrayed on their dollar bill.

OCCULT SYMBOLS ON AMERICAN COINS AND MEDALLIONS

Here we go again: In 1876 America struck a medallion commemorating the 100th anniversary (1776-1876), of the signing of the declaration of Independence. It has Lady liberty (Queen of Heaven/Isis/ Ishtar/Semiramis) on it depicting her raising her hand and giving honor to the sun. This is what America stands

for. This is the truth of what America has always stood for, whether the people except it or not. America honors another deity, and it for sure is not the Holy One of Israel

THE FLAG OF THE UNITED STATES

The flag of the United States of America has on it stars representing the states of America. If you look closely you will see that these are not stars symbolizing the Star of Bethlehem like most would like you to believe, but are fifty "pentagrams" (5 pointed occult witchcraft symbols), instead. How this was put over the people of this great Nation is hard to believe, but it stares every red-blooded American in the face in every walk of his life. This flag actually represents a curse on the Nation; what kind of curse we do not know, but it doesn't take much imagination to understand the many serious problems of many people of this nation. The sexual perversity, worship of the dollar, the abortion issue, murder, homosexuality, etc., abound so freely in this country, it seems

to be the obvious results.

The occult star/symbol known as the pentagram is thought to be that which is referred to in **Acts 7:43** "You also took along the Tabernacle of Moloch and **the Star of the god Rompha**, the images which you made to worship them. I also will remove you beyond Babylon". and Amos 5:25.

THE MASONIC DESIGN OF WASHINGTON DC

George Washington's City, Washington DC

The entire design of the city of Washington DC was set out as George Washington, a proud Master Mason, designed it to be. The entire city area is full of occult symbols when looked at from the secret societies

point of view. In 1793 the Master Mason George Washington, dressed in his full Masonic regalia, resided over the laying of the cornerstone of the Capital Building. He anointed the cornerstone with kernels of corn, oil, and wine. Then he struck a gavel three times on the ingredients to crush them. This was all part of a Masonic ritual used to dedicate things to the god of Freemasonry, the exact opposite of what the bible says about "Holy Ground" as per Acts 7:33. Incidentally, that cornerstone was secretly removed by the Masons many years ago. It remains hidden somewhere at 1733, in the Scottish Rite Masonic Temple. The people of America have no idea that the Capital of America was dedicated to Jah-bul-on, the god of Freemasonry. The entire country was cursed by Satan through the laying of the cornerstone in the name of the occult secret society. It remains cursed to this day. America was dedicated to Satan by its President and founding father George Washington, who had the authority to do so.

Washington also designed the Masonic triangle in the city of Washington with specific dimensions built into the the street plans. The three corners of the triangle are the erect penis (555 foot obelisk), the Capital Building with the female statue of Freedom (Queen Of Heaven) atop her roof adorned with Fascism symbols, and the Whitehouse. There is also a pentagram laid out in the streets of the city. The southern-most tip of the occult symbol of the pentagram points directly at the Whitehouse.

Washington DC

Masonic Scottish Rite Temple

In Washington DC, one mile north of the Whitehouse stands a massive stone temple structure of the Scottish Rite Mason's. The number on the building is 1733, which is not its physical address. The 33 is a Masonic secret number that stands for the 33 degrees of Masons. The number 33 is all over this building. Eg. It has 33 columns around the Temple, 33 feet high. The roof of this Mausoleum is in the shape of an unfinished Pyramid, (with its cap missing). When you consider the Masonic occult symbol (all seeing "Eye Of Horus", "Eye of Protection"), separated from the top of the pyramid on the American dollar bill, you will understand why. It's a secret of Masonry in reference to when the New World Order is being completely established in the near future. The capstone will remain detached from the Pyramid of the American seal, just as it is detached on the Masonic Temple until the New World Oder is totally established. If

you take the "capstone" off the American Seal and place it on top the Masonic Temple, you have a completed Pyramid, the eye of the so-called "Great Architect Of The Universe" (GAOTU), Jah-Bul-on, the god of Masonry.

United States Capital Building

The center of the pentagram in DC is Sixteenth St. where, thirteen blocks due north of the very center of the White House, the Masonic House of the Temple sits at the top of this occult iceberg.

The Washington Monument stands in perfect line to the intersecting point of the form of the Masonic square, stretching from the House of the Temple to the capital building. Within the hypotenuse of that right triangle sit many of the headquarters buildings for the most powerful departments of government, such as the Justice Dept, US Senate, and the Internal Revenue Service.

In the ceiling of the Capital Building is a huge painting called "The Apotheosis Of George Washington". Apotheosis in Greek means "glorification of a subject to a Devine level", as per Webster's Dictionary. In the

painting George Washington is depicted as a God, deity, a Messiah type image, with the sun shining on him.

Inside, and underneath the capital building dedicated to Satan, was built is crypt that was to be the burial place of Washington when he died. When you put the two things together you symbolically get an underground crypt, empty tomb, with a "Risen Messiah" coming out of it, rising to and through the ceiling of the

Apotheosis, into Heaven above. They made George Washington the Master Mason who worshipped the "Great Architect of the Universe", into a Messiah type deity representing the United States of America. You might even go so far as to say he was deified into the God of America. "In God We Trust" for Americans, seen on the American Seal (dollar bill), for many, actually represents George Washington, who in turn worshipped the Masonic "Great Architect of the Universe" (GAOTU). Masons secretly refer to their Architect of the Universe as GAOTU.

On top of the Capital building is a statue called "The Freedom Statue". It is a twenty foot tall statue of an Iroquois goddess called "Sky Woman", with pentagrams around her head, representing her morphing into an eagle. Sky Woman supposedly represents a pregnant extraterrestrial woman who came down to earth to give birth to the world. Something worth noting here is that both ancient pagan deities of Nimrod and Zeus were often depicted as doing the same thing.

Take a good look at any street map of downtown Washington, DC, and find its capitol. Facing the capitol from the mall and using the Capitol as the head or top of a compass, the left leg is represented by Pennsylvania Avenue and the right leg is represented by Maryland Avenue. The square is found in the usual Masonic position with the intersection of Canal Street and Louisiana Avenue. The left leg of the compass stands on the White House, and the right leg stands on the Jefferson Memorial. The circle drive and short streets behind the Capitol form the head and ears of Baphomet (Mendes, or goats head).

On top of the White House is an inverted five pointed star, or pentagram. The point is facing south in true occult fashion. It sits within the intersections of Connecticut and Vermont Avenues north to Dupont and Logan Circles, with Rhode Island and Massachusetts going to Washington Circle to the west and Mt. Vernon Square on the east.

Fascism connection to Washington DC

Fascism is a governmental system led by a dictator having complete power, forcibly suppressing opposition and criticism, regimenting all industry, commerce, etc., and emphasizing an aggressive nationalism and often racism.

Dictatorship/Fascism, is a political movement that employs the principles and methods of fascism, especially the ones established by Mussolini and Hitler.

The Jesuit Society itself states that "Fascism is the regime that corresponds most closely to the concepts of the Church of Rome". Fascism has one central leader that controls the people, this is exactly what the Roman Catholic Church represents. They are taught to believe that they are getting everything they need because they are getting everything they require.

A symbol of Fascism, "Fasces" (laurum de fascibus), is a bundle of rods (often accompanied by an axe, which symbolizes power over life and death), carried by Roman officials as a symbol of authority. Wherever you find the fascism symbol you will find Rome associated with it.

If you look at the base of the "Sky Woman", "The Freedom Statue", atop the US Capital you will find Fasces symbols. You will also find a double Fasces behind the rostrum (podium) of the House of Representatives in Washington DC. If you look closely at it, you will see the back of the chair resembles a golden axe blade pointing up, while the flag stripes resemble the rods of the fasces. Could this mean that eventually the US is going to become a fascist state? This is Big Brother watching everything. In 1916-1945 the Fasces appeared on the back of the US dime. The axe on the coin was converted to a torch on the Roosevelt dime of 1945. The fasces is also seen on the 1936 coin "Battle of Gettysburg". The symbol of the National Guard has fasces on it. There are even fasces on the Statue of Liberty, where the hand is holding the torch.

When the Whitehouse, the US Capital Building, and America's 555 foot erect penis (phallus symbol/ obelisk) known as the Washington Monument) were built, they were all dedicated to the god of Masonry, Satan (Jah-Bu-lon). Each one was built on a cornerstone. The ground (representing the entire Nation), was dedicated to Satan at that time by the Masons in each case. In each case, the same Masonic rituals took place at the beginning of construction, claiming the land for the Jah-bul-on god, "The Great Architect of the Universe", of Masonry. **Incidentally, the pilings drilled for the 555 foot penis were drilled exactly 111 feet underground, making it 666 feet.** A short distance from this obelisk is a twelve foot mini obelisk buried "erect" under the ground. with a metal type sewer cap covering it from the public.

The Pentagon of the United States

The Pentagon is a five pointed object (star) used by members of the occult; witches, warlocks, Satanists, etc. The military building in the United States at Arlington Virginia that houses the Defence department, is in the shape of a Pentagon and is in fact called "The Pentagon". Does this seem peculiar?

The Pentagon of the U.S. is a large building complex in Arlington Virginia built in the shape of a "pentagram". This pentagram is a demonic, satanic, witchcraft, occult symbol known throughout the ages. This building is shaped like a five pointed star; the kind of symbol synonymous with witches, warlocks and secret society members. This heathen symbol in the form of a building, curses the entire area of Arlington and every person in the area. To think that this pagan occult symbol that causes great harm to the state of Virginia in fact represents the Defence Department of the U.S., is a terrible joke of the sickest nature.

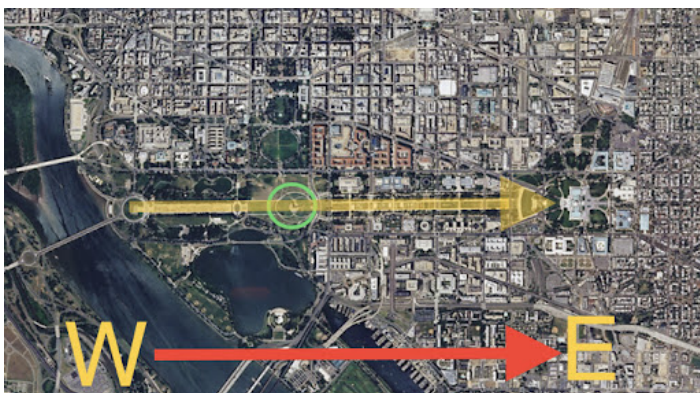

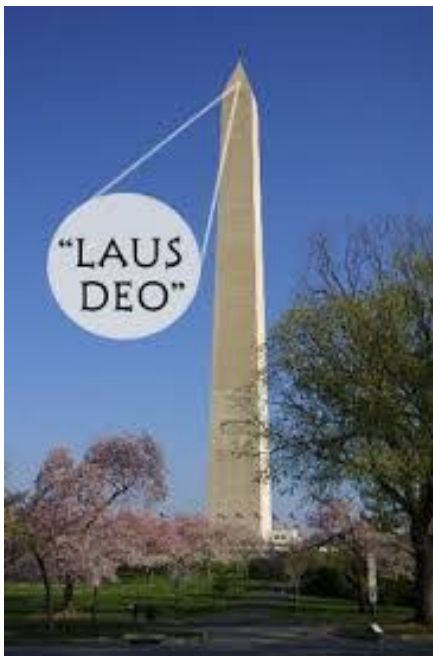

In the middle, ground zero of the Pentagon, is a gazebo with a statue of an owl on it. Is it coincidence that the leaders of America often meet at the place of another secret society, the Bohemian Grove, where they

worship a huge statue of an owl? Is it coincidence that there is a miniature owl image on every American dollar printed, I think not.

WASHINGTON MONUMENT (ERECT PENIS..PHALLUS SYMBOL..OBELISK)

In 1884 the tallest stone structure in the world (555 feet), "The Washington Monument" phallic symbol,

was dedicated to George Washington, the god in whom America trusts. Many people are familiar with the fact that the penis is 555 feet tall, (which, by itself has a secret meaning in Masonry), but few realize the pilings for the monument were drilled 111 feet deep. Add 555 and 111 and believe it or not, you get 666.

George Washington was of course a Freemason, who dedicated the US Capital Building and the city of Washington to the god, Jah-Bul-On of the Masons. The nation was cursed when he did so, and remains cursed to this day.

The Lincoln Memorial in Washington (next to the obelisk), is actually designated as a Temple, a colossus idol. On a plaque on the wall there it is inscribed as such.

When you enter the penis (monument), and look above the elevator you will see a sculptured image of a "Winged penis" with two snakes and a star on it.

On top of the over five hundred foot phallic symbol, is an aluminum capstone (like the one on the dollar bill). On the east side of the capstone is engraved two Latin words: "Laus Deo", which means "Praise be to god".

The so-called god of America, has always been Satan regardless of what name he is hiding under. The erect American penis has been, and always will represent Satan. The god of America has always been the devil depicted so clearly on the American Seal and dollar bill. The god of the greenback dollar. The same god of Freemasonry which established its hold over America when it was first founded. The god of Jah-Bul-On. "The Great Architect Of The Universe". This great god of the Mason's has been around wearing many different colored suits for a long long time. That Sun god been known for thousands of years as Nimrod, Tammuz, Molech, Baal, Horus, Zeus, Set, Olympus, Jupiter, Amen, Baphomet, Moroni, Saturn, etc. Next time you look at an American dollar bill think about what god it refers to in the statement: "In God We Trust". The God of Abraham, Isaac, and Jacob made it abundantly clear His people will not worship graven images. In fact it was so important to Him that He even wrote a commandment in that regard.

Exod. 20:4-6 "You shall not make for yourself an idol, or any likeness of what is in heaven above or on the earth beneath or in the water under the earth. 5 "You shall not worship them or serve them; for I, Yahveh your Elohim, am a jealous God, visiting the iniquity of the fathers on the children, on the third and the fourth generations of those who hate Me, 6 but showing lovingkindness to thousands, to those who love Me and keep My commandments"
